

**Compulsary information about REACH Regulation (EG) no. 1907/2006  
according article 33**

We thank you for your enquiry concerning compliance with REACH regulation (EG) no. 1907/2006. We will comply with requirements provided by REACH. Change of supply products caused by REACH will be advised in connection with our business relationship, and in agreement with you, appropriate measures will be taken in each individual case.

Concerning article 33 of REACH we would like to inform you as follows:

Our products and packaging do not contain substances included in the candidate list (status – 16. February 2009) over 0,1 mass % according article 59 (1,10) of the REACH regulation (EG) no. 1907/2006 (please refer to website of the European Chemicals Agency (ECha) <http://echa.europa.eu/>)

Schwendi, dated 27.02.2009
